

Respected Principal,
Greetings from the QuizIndia Team!
Your school has long been a flagship in the exciting new field of quizzing. It has proven time and again that it firmly believes in a form of education that, through relentless innovation, moulds itself to take the child along. QuizIndia stands as an unmatched sentinel of quizzing innovation, and we are excited to team with some of the brightest minds in Kashi in our quest to undertake one of the most sensational feats in national quizzing history – trapping age-old quizzing styles in glass jars, tinkering with them to make them irresistibly appealing to the general masses, and redefining the field itself. We believe that constant innovation is the cornerstone of all quiz wizardry.

In keeping with this immortal ideal, QuizIndia introduces the **Ultimate Quiz India Challenge** – the first quiz show of its kind in Varanasi, spanning the vast spectrums of human knowledge. Covering topics as diverse as mythology, science, information technology, literature and business in four jaw-dropping rounds never seen on stage before, the **Ultimate Quiz India Challenge** is the pinnacle of innovative quizzing. We invite you to partake in the pan-Varanasi festival of wits as the most masterful minds from across the Holy City battle it out on stage.

Rules and Instructions

Every team should have two students from classes VI to VIII. Please note that any team combination could be used, i.e., there could be one student from each class or two from the same class.

There will be two rounds.

1. Preliminary Round

25 questions, all the participant teams will attend.

Top 6 scoring teams will play the stage round.

2. Stage Round

There will be 5 Rounds

All the rounds will be AV based

Logistical needs from the host school: An auditorium, six quiz tables, an LCD projector and screen and microphone on each quiz table and one microphone for Quiz master.

For the school-level quiz, each team would be charged Rs 200. Entry for the inter-school level quiz is completely free of charge.

• The prizes for the school-level quiz are as follows:

1. First position: A Bluetooth speaker for each team member
2. Second position: Pendrive for each team member
3. Third position: A selfie stick for each team member
4. Participation certificates for all
5. Alluring audience prizes:

• The winning team in each school-level quiz will compete at the inter-school level with 15 teams across Varanasi.

Please do not hesitate to contact us for any queries! You are requested to reply to this email with the subject line "Query" for reaching out to us.

Until then,
Happy quizzing!
